Refurbishment

3M™ DI-NOC™ Architectural Surface Films

DI-NOC™ from 3M enables quick and durable refurbishment of surfaces.

A DI-NOC™ refurbishment is quick, mess-free, noise-free and poses minimal interruptions while your facility gets an all new look.

Simulate wood, metal, stone and other textures in a variety of shades to suit your decor. DI-NOC™ is easy to maintain, wears well and comes with unmatched 3M quality.

3M™ Writing Surface Films

Refurbishment in an hour

3M Writing Surface Films, the ready-to-go solution that transforms any surface into an instant idea board.

Walls, partitions, table-tops, pillars doors – now convert any surface into an instant writing surface.

Available in white, coloured, custom template in fixed and flexible sizes or custom cuts for markers or chalk, 3M Writing Surface Films are a no-mess, minimum fuss installation.
